

2025 ABVV-AIMT WINTER

State Level Hackathon on AI-ML and IoT

5th International Conference on Innovative Research in Science Management & Technology (ICIRSMT)

Organized by

Department of Computer Science & Application
Atal Bihari Vajpayee University Bilaspur, Chhattisgarh, India

IN ASSOCIATION WITH

American Institute of Management & Technology (AIMT), USA

(An academic subsidiary of The Global Knowledge Foundation (GKF) USA, INC.)

Department of Business, Management & Accounting
University of Maryland Eastern Shore, USA

Sponsored By
Chhattisgarh Council of Science
& Technology (CGCOST)

Supported By
Chhattisgarh Information
Technology Society (CGITS)

13-14 January, 2025

MODE : HYBRID

Technically Sponsored by
IEEE MP Section

Call for Papers

Publication

All the presented papers of 2025 ABVV-AIMT will be published in Conference proceedings (<https://gkfusa.org/aimtcp/>): American Institute of Management and Technology Conference Proceedings (AIMTCP) with ISSN No. 2025 ABVU-AIMT also provides publication opportunities to the authors of their presented papers in the following journals or edited books (Subject to the scope of the journal/Edited book and to undergo peer review process and with additional processing charges). After the conference, the best papers of 2025 ABVU-AIMT will be selected for publishing in the following journals (As per that journal policies) and the corresponding author(s) will be notified to submit the final version for further reviews. The selection process will be based on both the reviewer's evaluation of the paper and the quality of the author's presentation at the conference.

- ◆ *Edited book on Modelling and Computational Intelligence for Quality and Reliability (Elsevier).
- ◆ *Edited book on Ambient Intelligence and Visual Computing in Healthcare (Degruyter).
- ◆ *Global Journal of Review and Business Technology (GRBT): Published by The Global Knowledge Foundation, USA (Web site www.gkfusa.org).
- ◆ *Global Journal of Modeling and Intelligent Computing (GJMIC): Published by The Global Knowledge Foundation, USA (Web site www.gkfusa.org).
- ◆ *Global Journal of Computer and Engineering Technology (GJCET): Published by The Global Knowledge Foundation, USA (Web site www.gkfusa.org).
- ◆ *International Journal of Decision Science and Information Technology (IJDSIT): An official journal of Atal Bihari Vajpayee University and MTMI, USA.

Paper Submission

The original version of the paper from an academicians, research Scholar, scientist, and others is invited to be submitted only through Google Form link including abstract, Introduction, literature review, methodology, results, conclusion, references, etc. The paper must be checked through any plagiarism software prior to submission.

Be ready with the following before submitting your abstract/Full-length paper

1. Your paper in the proper template in Docx format (Download paper template from Conference website)
3. And then submit your paper through the Google Form link - <https://forms.gle/TV48rtbrg64xZEiXA>

About Atal Bihari Vajpayee University

Atal Bihari Vajpayee University is a State public University which has been established by the Gazette notification on 03.02.2012 of Chhattisgarh Act No 07, 2012, the Chhattisgarh Viswavidyalaya (Amendment) Act, 2011 and came in to its existence in June, 2012. The jurisdiction of Atal Bihari Vajpayee University is extended to 04 districts of the state, University has more than 110 affiliated colleges where students are studying in UG, PG and Ph.D. programs. University has teaching departments. The Department of Computer Science and Application is one of the department of the University Teaching Department running Certificate, UG, PG and Ph.D. programs in computer science. The MCA & M. Tech.(Computer Application) programs of the department are affiliated from All India Council of Technical Education, New Delhi.

About CSA

Established in 2013, the Department of Computer Science aims to excel in education and research. It offers AICTE-approved UG and PG programs, including MCA and M.Tech., with a dedicated faculty and modern infrastructure, including programming labs and a smart classroom. The department organizes workshops, seminars, and expert lectures to enhance learning and has a Centre of Excellence in AI, ML, and IoT to promote cutting-edge research.

Chhattisgarh Information Technology Society

The Chhattisgarh Information Technology Society (CGITS) is dedicated to advancing IT education and professional development in Chhattisgarh. It serves as a collaborative platform for HEI faculty, students, IT professionals, and researchers. CGITS promotes innovative research, fosters technological advancements, and facilitates participation in IT-focused initiatives. The society offers membership options for faculty, students, institutions, and professionals, encouraging active engagement across academia and industry. With a vision to drive IT literacy and innovation, CGITS bridges the gap between research and real-world applications. It strives to build a strong IT community through events, partnerships, and knowledge exchange.

About AIMT and The GKF

American Institute of Management and Technology (AIMT) is an academic subsidiary of The Global Knowledge Foundation, USA, Inc. The AIMT has been registered with and approved by the state of North Carolina, USA. Its purpose is to provide educational opportunities by organizing conferences, seminars, workshops, and symposia, Offering online courses as well as membership. The Global Knowledge Foundation (GKF) U.S.A, Inc. has been established in the year 2010 to operate exclusively for educational, scientific, and charitable purposes within the scope of Section 501 (c)(3) of the Internal Revenue Code. The GKF is being operated by scientists, academicians, innovators, creative individuals, and dedicated professionals across the globe. The mission of GKF is to radically redefine, redesign, and reorganize knowledge, research, and education under global multilateral perspectives.
