## FELICITATION OF STUDENT OF THE MONTH AWARD

On 18th November 2024, the Department organized a felicitation ceremony to honor the "Sincere Student of the Month." This event was part of the inauguration of a one-week workshop on Drone Technology, aimed at providing students with hands-on experience and insights into the latest advancements in drone technology.

The ceremony was attended by distinguished guests, including the Vice-Chancellor, Acharya Arun Diwakar Nath Vajpayee, Registrar Shailendra Dubey, Head of the Department Dr. H.S. Hota, along with faculty members and students from the department.

Dr. H.S. Hota, the Head of the Department, highlighted the purpose and significance of the "Sincere Student of the Month" award. He explained that the award is presented to students who exhibit exceptional dedication, sincerity, and commitment to their academic and extracurricular activities. Dr. Hota emphasized the importance of fostering a culture of diligence and responsibility within the department, encouraging all students to strive for excellence in every aspect of their academic journey.

Vice-Chancellor Acharya Arun Diwakar Nath Vajpayee congratulated the students for their dedication and achievements. He also praised the department for organizing this ceremony, recognizing the positive impact such initiatives have on motivating students to perform better. His words of encouragement further inspired the students to continue pursuing excellence and to set higher goals for their academic and professional futures.

Dr. Shreya Sahu, a faculty member of the department, served as the coordinator for the event. Her meticulous organization and coordination were instrumental in ensuring the smooth conduct of the ceremony. The event concluded with a round of applause for the "Sincere Student of the Month," who was felicitated for their exceptional efforts.

The "Sincere Student of the Month" initiative serves as a motivational tool for all students, reinforcing the values of hard work, perseverance, and dedication. The event provided an opportunity for students to reflect on the importance of sincerity in achieving success and to strive towards becoming role models for their peers.

This ceremony not only celebrated the achievements of the selected student but also fostered a sense of community and positive competition among students, motivating them to continue their efforts toward academic excellence.

## FELICITATION OF NET/SET/GATE QUALIFIERS

The Department also organized a felicitation ceremony to honor students who had qualified for the National Eligibility Test (NET), State Eligibility Test (SET), and Graduate Aptitude Test in Engineering (GATE). This event was held in conjunction with the inauguration of a one-week workshop on Drone Technology, an initiative to promote innovation and technological advancements among students.

The Vice-Chancellor, Acharya Arun Diwakar Nath Vajpayee, opened the event with a congratulatory speech, commending the students for their outstanding achievements in clearing competitive exams such as NET, SET, and GATE. He acknowledged the hard work and dedication that these students had shown in reaching this milestone. The Vice-Chancellor also praised the department for organizing this important event, which not only recognizes the achievements of students but also serves as an inspiration for others to excel in their academic pursuits.

The ceremony included the felicitation of both current and former students who had successfully cleared the NET, SET, and GATE exams. The awardees were applauded for their perseverance and commitment to their studies. Their success stories were shared as examples of dedication, encouraging fellow students to set similar goals and work towards them.

Following the felicitation, alumni who had qualified for these competitive exams interacted with current students. They shared their experiences, offering valuable insights into their preparation strategies, challenges faced, and how they navigated their academic journeys. This interaction was an enriching experience for the current students, as it provided them with practical advice and inspiration to approach their own exam preparations with confidence and clarity.

This event was a part of the department's continuous efforts to motivate students and help them succeed not only academically but also in competitive exams, which play a crucial role in shaping their careers. It also helped to strengthen the bond between the current students and alumni, fostering a spirit of mentorship and knowledge sharing.

The event concluded with a sense of pride and accomplishment, as students left the venue with renewed motivation to continue their educational and professional pursuits.

कार्यशाला  
का शुभारंभ

### ड्रोन टेक्नोलॉजी का इस्तेमाल स्टार्टअप में करें: बाजपेयी

नवभारत रिपोर्टर । बिलासपुर।

अटल बिहारी बाजपेयी विश्वविद्यालय में कंप्यूटर साइंस एवं एप्लीकेशन विभाग द्वारा ड्रोन टेक्नोलॉजी विषय पर एक सप्ताह की कार्यशाला का शुभारंभ किया गया। शुभारंभ के अवसर पर विश्वविद्यालय के कुलपति आचार्य अरूण दिवाकर नाथ बाजपेयी, कुलसचिव शैलेन्द्र दुबे, विभागाध्यक्ष डा .एच.एस.होता एवं छात्र-छात्राएं उपस्थित थे।

कार्यक्रम को संबोधित करते हुए कुलपति ने इस नवीन तकनीक से संबंधित कार्यशाला के आयोजन हेतु विभागाध्यक्ष डॉ.एच.एस.होता एवं उनकी टीम को बधाई देते कहा कि, छात्रों को ड्रोन टेक्नोलॉजी को भारत जैसे देश में किस प्रकार सभी क्षेत्रों में उपयोग किया जाए तथा इसके सुरक्षा के संबंध में भी सचेत होने का आग्रह किया । उन्होंने इस तकनीक के माध्यम से स्टार्टअप प्रारंभ

करने का प्रयास करने हेतु कहा । कार्यक्रम के प्रारंभ में ड्रोन के माध्यम से कुलपति का स्वागत किया गया । स्वागत भाषण देते हुए विभागाध्यक्ष डॉ.होता ने कहा कि इस कार्यशाला में विषय विशेषज्ञ के रूप में स्टार्टअप संचालित करने वाले व्यक्तियों द्वारा व्याख्यान दिया जाएगा जो ड्रोन के परिचालन, विकास एवं इसकी विस्तृत जानकारी प्रदान करेंगे तथा छात्र स्वयं भी इसका संचालन कर सकेंगे। इस अवसर पर विभाग के वर्तमान एवं पूर्व छात्रों जो

नेट उत्तीर्ण हैं उनका सम्मान भी किया गया। उल्लेखनीय है, कि विभाग द्वारा निरंतर नवीन विषयों पर कार्यशाला का आयोजन करते हुए छात्रों को जानकारी तथा अतिरिक्त कौशल एवं ज्ञान प्रदान करने का प्रयास किया जा रहा है जिससे छात्र अपने विषयों के साथ-साथ नवीन तकनीक से संबंधित कौशल विकसित कर सकें तथा सूचना प्रौद्योगिकी के क्षेत्र में अपना करियर बना सकें। संचालन विभाग की शिक्षक डॉ.श्रिया साहू द्वारा किया गया।
